

## Wedding Packages for all occasions

The following is simply a guide of our most popular wedding packages. The Bride and Groom are more than welcome to visit our showroom where they can view our displays and range of centrepieces, sashes and chair covers. We are flexible and are more than happy to accommodate any taste and budget to meet our client's expectations.

Please note that a minimum guest number of 60 applies to the following packages. Local delivery & set up is included (except for the DIY packages) to Pottsville, Murwillumbah, Cabarita, Kingscliff, Chinderah, Banora Point, South Tweed, West Tweed, Tweed Heads, Coolangatta, Palm Beach & Currumbin. Areas outside of this are subject to additional delivery and setup charges starting from \$150.00. All packages contain hire items only. All damages and missing items must be paid for. (see terms and conditions)

package prices do not include the hire of tables, chairs etc. Package prices are for decorating a venue where these items already exist. If you require table & chair hire then additional prices apply. See hire price list in party hire section or call Jazer's on 0266 744 695 to get a quote.
